GLOBAL LAUNCH - HUMAN  
DEVELOPMENT REPORT 2019

Please allow me to begin by wishing you and your family a very Happy New Year and a New Decade.

I am very glad to take this opportunity to share with you the most interesting and important events that JST Productions produced and managed through the last 6 months of 2019 on this edition.

The entire year was quite thrilling as JST Productions was awarded with many of the largest and the most challenging events that took place in Nepal. Our teams enjoyed every moment in welcoming one of the most iconic sports persons in the world - Sachin Tendulkar - in his first official visit to Nepal. The teams also took the challenge of executing the Global Launch of the Human Development Report 2019 in Nepal held simultaneously in all 7 provinces encompassing 8 locations.

We are delighted to have had several occasions to establish and strengthen our relation with prominent organizations such as UNICEF, UNDP, FICAC, HCCN, US State Department of Commerce to name a few in 2019.

Looking forward to keeping in touch with you with the fresh new editions of our newsletters, my best wishes to you again for 2020.

Prasanga Shrestha  
Director,  
JST Corp. Pvt. Ltd.

## CONNECT WITH US

## IMPACT TB Consortium Meeting

6th July 2019

Park Village Resort

**Ms. Maxine Caws - senior TB researcher at the Liverpool School of Tropical Medicine**

**B**irat Nepal Medical Trust (BNMT Nepal) is a Nepalese non-governmental organization dedicated towards improving the health and well-being of Nepalese people. The main aspiration of the organization is to ensure equitable access to quality health care and enabling environment for socially and economically disadvantaged people.

IMPACT TB is a project to find and treat cases of TB in communities in both Nepal and Vietnam. The project will test different implementation models to find the cheapest way to scale-up active case finding of TB nationwide.

On 6th July 2019, BNMT Nepal organized the IMPACT TB Consortium meeting 2019 in Kathmandu to discuss achievement, challenges and learnings of the project in Vietnam and Nepal.

The event had the active participation of Ministry of Health and Population, international IMPACT TB partners, and BNMT representatives from various NGOs and INGOs.

The meeting brought various researchers, scientists, policy makers, development workers, TB patients and community people under the same roof to discuss achievements, challenges and learnings of the projects in their area.

**Mr. Bertie Squire - lead of the health economics assessment of IMPACT TB.**

JST Productions produced and managed the Impact TB Policy Consortium Meeting in association with BNMT Nepal.

*"Health is the thing that makes you feel that now is the best time of year." - Franklin P. Adams*

**Annual Progress Dissemination  
Programme**  
26th July 2019  
Hotel Himalaya

**W**orld Vision International Nepal is a Christian relief, development and advocacy organization dedicated to work with children and families of the vulnerable communities to overcome poverty and injustice. Since 2001, World Vision International (WVI) Nepal has been working for the well-being of children, partnering with communities, government bodies, private sectors and NGOs at the local level in some of the most remote areas in different districts of Nepal.

*Country Director Mr. Janes Ginting*

On 26th July 2019, World Vision International Nepal organized its Annual progress dissemination program at Hotel Himalaya to convene and present about the progress achieved and impacts in the past year in each of the districts that the organization is working in.

With more than 200 attendees from all over Nepal including the donors, government officials, civil society organizations, community members, children and media, the event was filled with many inspiring stories and achievements from the people who have been working for the betterment of the campaign against child marriage for their respective sectors/districts.

The event was also graced by Mr. Rajendra Kumar Paudel, Member Secretary at Social Welfare Council.

JST Productions assisted World Vision International in management of the Annual Progress Dissemination Programme.

## BIM in Nepal Conference

2nd August 2019  
Hotel Radisson

*Chairperson of NBIMF Mr. Sunil Suwal*

Nepal Building Information Modeling Forum (NBIMF) is a non-profit organization which was started by a group of Nepalese BIM enthusiasts.

Trimble Solutions is a globally recognized solution provider for different industries like Agriculture, Building Construction, Civil Engineering and Construction, Geospatial, Transportation, Government, Forestry, Rail, Field Service Management, Telecommunications, Electric and Water Utilities as well as many others.

On 2nd August 2019, NBIMF in collaboration with Trimble organized “BIM Conference in Nepal” at Radisson Hotel Kathmandu, in support of Department of Urban Development and Building Construction.

The main objective of the event was to bring together different government bodies, decision makers, designers, contractors, consulting firms, and engineers to introduce, boost, and discuss BIM implementation process and its various benefits to the Nepalese built environment. The event raised awareness and encouraged government bodies, engineers, contractors and construction companies to explore the various benefits of BIM implementation in their projects ultimately benefiting the Nepalese AEC communities.

JST Productions managed the BIM in Nepal conference in association with NBIMF.

## AI EXPO Nepal 2019

24th August 2019

Hotel Soaltee Crowne Plaza

Fusemachines is one of the largest AI companies from Nepal, based in the US. It is a leading provider of Artificial Intelligence software, solutions, and education programs.

Artificial Intelligence for Development (AID) is research and development organization focusing on bringing applied Artificial Intelligence solutions to existing community problems.

**Mr. Sameer Maskey, Founder and CEO - Fusemachines**

**Hon'ble Minister for Education, Science, and Technology, Mr. Giriraj Mani Pokharel**

With the objective to bring all the AI enthusiasts and stakeholders together, Fusemachines together with AID, organized the country's first ever AI Expo. The event, AI Expo 2019, was the first and the biggest expo targeting Artificial Intelligence with more than 2000 attendees. Honorable Minister for Education, Science, and Technology, Giriraj Mani Pokharel was present as the distinguished Chief Guest of the event.

Other than the objective to bring all the AI enthusiasts together, the AI Expo 2019 also aimed to bring together industry and academia (professionals and learners) to discuss opportunities and challenges in the industry with practical and ethical solutions to the challenges.

JST Productions produced and managed the first ever AI Expo in Nepal in association with Fusemachines.

## Public Private Partnership 9th - 13th September 2019 Hotel Radisson

**Ms. Lindsey Scannell - Attorney  
- Advisor**

**C**LDP is a division of the U.S. Department of Commerce that helps achieve U.S. foreign policy goals in developing and post-conflict countries through commercial legal reforms.

Public-private partnerships (PPPs) are tools that help governments leverage the expertise and efficiency of the private sector, raise capital, and spur development.

From 9th of September to 13th of September CLDP: Commercial Law Development Program organized series of workshops on Public Private Partnership (PPPs) in partnership with the Investment Board of Nepal (IBN) and the U.S. Embassy in Kathmandu. The three-day workshop was attended by government leaders, parliamentarians and the members of the media.

The workshop covered the process of understanding, implementing projects and competitively tendering PPPs and evaluating bids. For the workshop CLDP drew experts from the Illinois Department of Transportation's PPP Office, the Port of Tampa, and the leading Florida law firm on PPPs.

**Mr. Lee A. Weintraub, Representative,  
CLDP**

JST Productions produced and managed the Public Private Partnership Workshop in association with CLDP.

**BNMT Workshop**  
**11th - 12th September 2019**  
**Hotel Ambassador**

**B**irat Nepal Medical Trust (BNMT Nepal) is a Nepalese non-governmental organization dedicated towards improving the health and well-being of Nepalese people. The main aspiration of the organization is to ensure equitable access to quality health care and enabling environment for socially and economically disadvantaged people.

*Ms. Kritika Dixit, BNMT Nepal*

*Ms. Noemia Teixeira De Siqueira  
Filha , Impact TB*

On 11th and 12th September, 2019 BNMT Nepal organized a 2 days workshop to develop a shortlist of potential socioeconomic interventions for TB affected households in Nepal.

The workshop was held with active participation of government and non government stakeholders, researchers, development partners, TB patients, female community health volunteers and communities.

The workshop was successful in bringing out appropriate socioeconomic interventions packages with the help of collective discussions and recommendations from all attendees.

JST Productions assisted BNMT Nepal in management of the Workshop for the TB affected households.

## HCC-N FICAC Regional Conference 13th - 14th November 2019 Hotel Soaltee Crowne Plaza

**DEAN of HCC-N**  
**Mr. Pradeep K. Shrestha**

Honorary Consular Corps Nepal (HCC-N) is an association of all the honorary consular in Nepal which helps in linking the sending and receiving countries in social and economic developments.

The association, having an 18 years of history in Nepal, organized the very first regional conference with the World Federation of Consuls (FICAC) from 12<sup>th</sup> to 15<sup>th</sup> November.

The three-day conference was organized with the theme of 'Solidarity for Shared Prosperity' focusing on issues such as gender-equality, climate change, and networking sites and prosperity among many others. The grand event was attended by more than 300 participants which included more than 200 honorary consuls from various countries .

The event was officially inaugurated by Hon'ble Vice President Mr. Nanda Bahadur Pun where the Dean of HCC-N and Honorary Consul of South Africa, Mr. Pradeep Kumar Shrestha highlighted the potential of Nepal in various sectors to encourage investors for investment in Nepal. Apart from dealing with the national and multinational issues, various activities for the entertainment of the delegates were conducted, giving a glimpse of Nepalese heritage, culture, hospitality and touristic importance promoting Visit Nepal 2020.

## Convention on the Rights of the Child

16th - 23rd November 2019  
Kathmandu and Janakpur

The United Nations Children's Fund is a United Nations agency responsible for providing humanitarian and developmental aid to children around the world.

United Nations Convention on the Rights of the Child (UNCRC) is a human rights treaty having 54 articles which covers all aspects of a child's life and sets out the civil, political, economic, social and cultural rights that all children everywhere are entitled to.

*Cricket Legend Mr. Sachin Tendulkar in action*

*Mr. Binod Das gifting his jersey to Mr. Sachin Tendulkar*

On the 30th anniversary of its ratification, UNICEF Nepal organized an 8-over friendly cricket match at the Tribhuvan University Ground, Kathmandu and Barhabigha Ground, Janakpur on November 16 and 23 respectively.

Former Nepali cricket captain, Mr. Binod Das was present on the T.U cricket ground and played opposing the Cricket legend Mr. Sachin Tendulkar himself. Mr. Sachin addressed the ceremony by urging parents and caregivers to support their children and mentioned that there was still a lot of work needed to be done regarding the rights of the children.

The event was organized to promote the values of physical fitness, proper nutrition and choices that positively impacted children's health. The aim was to use sports as an initiative to increase awareness and encourage student engagement in education as well as good health related practices. Furthermore, students at Barabhiga stadium engaged in making drawings, having fun expressing themselves and their creative potential.

JST Productions assisted UNICEF Nepal in production and management of the CRC30.

## Gaddi Baithak - Public Opening

26th November 2019

Gaddi Baithak, Basantapur

**miyamoto.**  
save lives, impact economies

*U.S. Ambassador Randy W. Berry*

Miyamoto International is a global structural engineering and disaster-risk reduction firm providing resiliency expertise that sustains industries and safeguards communities around the world. They prioritize solutions that limit damage, business interruption and loss of life.

On 26th September 2019, in Kathmandu Durbar Square, H.E. Mr. Randy W. Berry, jointly with Hon'ble Minister for Culture, Tourism, and Civil Aviation Mr. Yogesh Bhattarai inaugurated the recently restored Gaddi Baithak to the public for guided tours.

Since 1908 Gaddi Baithak Palace has been a hallmark of the square, but this is a historic first. The Palace has never before been opened for the general public. Guided tours of the main hall will be available and the ground floor of the Palace will house a museum. The museum, which will open later this year, features rare artifacts of Nepalese history and culture. Pre-registration at a designated entry check-point is required to participate in the guided tours. These tours will allow both Nepalese and foreign tourists to enjoy Gaddi Baithak just in time for Visit Nepal 2020.

*Hon'ble Minister for Culture, Tourism, and Civil Aviation Mr. Yogesh Bhattarai*

JST Productions assisted Miyamoto International in management of the Gaddi Baithak - Public Opening.

# National Joint Annual Review 2019 4th - 5th December 2019 Agricultural Development Bank, Bode

**N**epal Health Sector Support Programme (NHSSP) is funded by UK Aid from the UK government. It is designed to support the goals of the National Health Sector Strategy and is focused on enhancing the capacity of the Ministry of Health and Population (MoHP) to build a resilient health system to provide quality health services for all.

*Hon. Minister of Health and Population  
Mr. Bhanubhakta Dhakal*

*Hon. Minister of Health and Population Mr.  
Bhanubhakta Dhakal inaugurating the event*

To jointly review the NHSS annual implementation plan, the National Joint Annual Review (NJAR) of the health sector 2019 (2076 BS) was organized by the Government of Nepal, Ministry of Health and Population (MoHP) and external development partners (EDPs) jointly on 4th and 5th December 2019.

With more that 300 participants, the program was attended by distinguished professionals from the ministry including the health minister, division directors, provincial directors and the head of the EDPs.

The programme was inaugurated by Hon. Minister for Health and Population Mr. Bhanubhakta Dhakal.

JST Productions assisted NHSSP in production and management of the National Joint Annual Review.

**7th Annual Scientific Symposium  
in Nepal  
10th - 11th December 2019  
Hotel Yak & Yeti**

***Dr. Patrick Webb - From FTF Nutrition  
Innovation Lab Team***

The Nutrition Innovation Laboratory pursues applied research that supports the goals of USAID's Feed the Future initiative, builds institutional capacity for analysis and policy formulation in developing countries, and offers scholarships that support individual capacity development through formal degree education in the United States and elsewhere.

On 10th and 12th December 2019, Feed the Future Innovation Lab for Nutrition organized the 7th Annual Scientific Symposium at Hotel Yak and Yeti, Kathmandu, Nepal.

The two-days conference attracted national and international academics, practitioners, policy makers, students and other stakeholders who are either interested in or are conducting research on the agriculture–nutrition pathways for application to programs and policies.

One of the main objectives of the symposia was to offer a unique opportunity for learning new developments in how agriculture influences nutrition, networking with like-minded professionals, and discovering new motivation to take on new challenges.

***Ms. Joanna Morisson - FTF Nutrition  
Innovation Lab Team***

JST Productions assisted Nutrition Lab in management of the 7th Annual Scientific Symposium in Nepal.

## Human Development Report 2019

10th December 2019

Global Launch

The Human Development Report 2019 is the continuation of a series of annual reports published by UNDP, comparing countries based on their education level, health status, per capita income and so on. This year's report is the first of a new generation of HDRs which focused on inequality and provided a comprehensive analysis using framework that goes beyond income and averages.

*Hon'ble Finance Minister Mr. Yuba Raj Khatiwada*

On 10th December 2019, the report was launched simultaneously in Kathmandu and all seven provinces of Nepal with an attendance of over 1,000 people. The attendees were various members from federal and provincial governments, policy makers, educationist, academicians and students.

A lively panel discussion was also held during the event focusing on current issues of gender equality, human rights, the state of developmental works, and so on. These discussions helped in bringing the attention of policy makers while the report as a whole also provided recommendations for change for the better.

JST Productions assisted UNDP in management of the Global Launch of Human Development Report 2019 in all 7 provinces.
