ABOUT

JST Productions is a leading destination cum event production and management firm under JST Corp Pvt. Ltd. JST Corp was established in 2012 and has successfully diversified into various industries.

JST Productions produces and manages varieties of corporate and institutional, outdoor and live events.

Since its establishment only because of the passion and professionalism put into all the projects, JST Productions is recognized for its expertise in management of various ranges of events:

CONFERENCES AND WORKSHOPS

With years of expertise and experience in managing conferences and workshops for global MNCs, government organizations and development agencies, JST Productions will professionally assist you with all your managerial, technical, operational and logistics requirements for your conferences, workshops, awareness campaigns and corporate events.

JST Productions provides you with dedicated professional crew, AV systems, translation systems, video and photography, stage build-up, printing and branding, event merchandising, secretariat setup, venue and accommodation co-ordination, airport transfer services to ensure a perfect and seamless execution of your events.

PARTNERS' / DEALERS' MEETS AND AWARD CEREMONIES

From medical industries to IT, JST Productions manages partners' meets, dealers' meets and award ceremonies in Nepal for diverse industries.

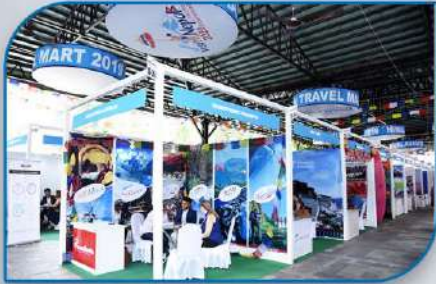

JST can assist you in selecting and booking the right venues and provide all the managerial, technical, printing and branding, event merchandising and logistics support as required for an enjoyable and purposeful partners / dealers' meets and a glamorous award ceremony.

EXHIBITION

JST Productions organizes and manages array of exhibitions such as trade shows, art exhibitions, photography exhibitions for business promotion and social causes.

JST assists you in venue booking and co-ordination, creative stall building and fabrications, AV systems, client and customers service management. JST Productions till date has successfully facilitated the participation of many of its national and international clients in numerous exhibitions concerning diverse industries, across the country.

AWARENESS CAMPAIGNS AND OUTDOOR SHOWS

Since an outdoor event can be quite challenging to organize and handle in terms of crowd management, security, technical systems arrangement, attaining permits and most importantly planning the event promotion, having a dedicated management team on board could be the best solution.

JST provides you with the ideal team to assist your campaign or an outdoor event to look after the detailed operation, technical and logistic requirements.

SPORTS AND RECREATION

Planning a day or a weekend of sports event for your organization is a splendid way to motivate your staffs, build team spirit and an ideal opportunity to spend some recreational time with your family and work peers together.

JST Productions will assist you in all the management aspects of organizing a fun and recreational sports event such as venue reservations, game officials, theme planning and décor, outdoor catering for football, tennis, badminton, golf, and various indoor sports.

PRODUCTION, ARTIST AND CREW MANAGEMENT

JST provides you the right mix of contents for your events in terms of technical equipments, operation, entertainment, decor and a specialized crew to ensure a flawless event.
